

Crossville Recreational Youth Soccer Association

46 Genesis Rd Crossville, TN 38555

Dear Potential CRYSA Sponsor,

Please accept our sincerest appreciation concerning your interest in possible sponsorship for our 2024 Soccer League. The Crossville Youth Soccer Association is a non-profit 501c3 organization. We would be happy to complete a W9 form for any sponsor requesting this for tax records.

With over 25 years committed to organizing our association, we are proud of the dedication and support from our community through local businesses and private sponsors. CRYSA has provided a positive environment to many players who have gone on to be outstanding members of the community. Some of the skills learned through soccer include leadership, teamwork, dedication and discipline. We estimate that over 10,000 players have participated in CRYSA over the years.

On behalf of the CRYSA Board & Committee, the registered 2024 players, our faithful volunteers and our community, Thank You for your support.

Most Sincerely,

CRYSA Board of Directors
